

# Spring Break Schedule Update and Policy Plan

Updated 3 pm, March 13<sup>th</sup>, 2020

We apologize for how long this information has taken to get to you all, but the situation keeps changing before we can release our plans. At this point, we believe we will be open until a county, state or other government agency says we have to close. However, we cannot run our Spring Break program from PGA as district buildings cannot be used. We will continue to have camp, but will be working out of our preschool building at 209 E. Plum Street. We will additionally be offering camp for the extended break time.

In order to make this work, we will need to be on field trips from 10 am to 4 pm. We have reviewed the activity schedule for next week and have put a lot of thought into how we can keep children and families healthy through this time. We have not yet developed the schedule for the following week, but will get on that ASAP.

We have evaluated and changed our schedule to substitute in activities that we feel we can control disinfecting the main surfaces children will be touching. We will be carrying disinfecting wipes and wiping down those surfaces. We will also be carrying hand sanitizer and be asking kids to use it before and we are in the community space and as we are leaving. When we visit playgrounds, we will be carrying jugs (like the ones you spray weed killer from) to disinfect the playground surfaces. If we don't feel we can access an entire playground with the spray, we will limit where kids can play or restrict them to the grass areas.

We will also be washing our hands every hour (in addition to times we use the bathroom, before we eat, or touch any body fluids). We ask that you wash hands with your child on your way in to the program before sign in – please plan an extra minute or two for this in the mornings. We will stop you and ask you to come back and do this until it is a habit, so please try to remember to do it on your first day! We encourage you to wash your hands again on your way out the door in the afternoon.

We will be disinfecting the equipment we use everyday and monitoring and directing kids on their hygiene habits. Please help us by reinforcing those habits at home.

## **Here is the activity schedule for the week of March 16<sup>th</sup> – 20<sup>th</sup>:**

**Monday:** Morning at YPLC

**Leave at 10 am for Rolland Moore Park, Make Our Own Board Game;**

**Afternoon: Fort Fun Go Carts and Bumper Cars**

*We will have kids wipe down the go cart and bumper car handles (unless we can visibly see staff doing so, which they have assured us they will be doing) and use sanitizer following their rides.*

Return to YPLC at 4 pm

**Tuesday:** Morning at YPLC

**Leave at 10 am for Corn Hole Tournament at Library Park;**

**Afternoon: Summit Bowling & Laser Tag**

*We will have kids wipe down their bowling balls and laser guns (unless we can visibly see staff doing so, which they have assured us they will be doing) and staff will wipe down the benches in our bowling lanes. Children will use sanitizer as they leave the bowling lanes and as they leave the laser tag arena.*

Return to YPLC at 4 pm

**Wednesday: Morning at YPLC**

**Leave at 10 am for APEX (Eat lunch upon arrival)**

**Mid-afternoon/Afternoon: APEX Pool**

*(this is not yet 100% confirmed, but families should count on an indoor pool outside of Fort Collins – our second choice is Greeley Fun Plex and our third choice is the Westminster Rec Center pool)*

*The chlorine used in pools is strong enough to kill the COVID 19 virus so we feel safe with kids in the water. We will be making notes and announcements to children to keep their sanitation practices up while in the locker rooms. We will be changing into our suits before we leave for the pool to limit our time in the locker rooms.*

Return to YPLC at 4 pm

**Thursday: Morning at YPLC**

**Leave at 10 am for Engineering Games at Landings Park;**

**Afternoon: Glow Golf**

*We will have kids wipe down the handles of their golf clubs.*

Return to YPLC at 4 pm

**Friday: Morning at YPLC:**

**Leave at 10 am for Twister, Giant Jenga & Minute to Win It Games at City Park;**

**Afternoon: Ice Cream Treat (store bought) at Spring Park**

Return to YPLC at 4 pm

If you are registered for days and do not feel comfortable with this activity schedule, please send an email and we will disenroll your child for those days. If you have further questions or want to discuss concerns, please reach out to Stacy at [camp@childhooddoneright.com](mailto:camp@childhooddoneright.com) or Heather at [heather@childhooddoneright.com](mailto:heather@childhooddoneright.com) or at the school at (970) 482-1212 or (970) 691-0487 on her cell over the weekend.

We are dedicated to keeping children and families safe and know that this situation is evolving rapidly. We are spending a great deal of time and energy keeping up on all information that is available and will continue to do so. We will adjust all programming to keep our families and our communities safe.
